# About Us

Toh's Sign Informatik Sdn Bhd is established in 1997, with over 26 years of relevant experience. Founder - CK Toh leads the team in continuously exploring various Malaysian licenses and providing the most efficient services to our clients. Despite having over 26 years of relevant experience and serving clients facing different problems, in the process, rather than just providing license consultation and services, we are more like problem solvers helping clients resolve issues. We understand the needs and problems of our clients and provide the most effective solutions to help them obtain licenses or resolve current license issues, improving efficiency to assist our clients' needs.

## VISION

To become Malaysia's leading one-stop premier licensing consultancy firm.

We provide one-stop solution services from inquiries to delivery licenses to clients. Based on their needs, we assist clients in achieving the best outcomes. We prioritize understanding our clients' requirements, actively listen to them, and provide the best solutions while maintaining good relationships.

## MISSION

## PROMISE

We encourage our team members to continuously learn and innovate. We will provide training and development opportunities to help them enhance their professional knowledge and skills. We foster a culture where team members actively think and explore new ideas and solutions, continuously improving our workflows and service delivery. We believe that through continuous learning and innovation, we can provide better services to meet the evolving needs of our clients.

We believe that an excellent team can achieve outstanding accomplishments. Therefore, we strive to cultivate and maintain talents with professional competence, a spirit of cooperation, and innovative thinking. We provide a positive, inclusive, and encouraging work environment, motivating team members to unleash their potentials and achieve personal and team growth together.
